

# Advanced Hygiene System

*Cleans and Deodorizes toilets and urinals while providing a clean fresh scent for the restroom...*

- **Always Clean** - programmed dispensing operates round-the-clock.
  - Powerful cleaning solution prevents unsightly stains and scaling.
  - Concentrated foaming action cleans everywhere water goes.
  - Quaternary agent helps reduce bacteria growth.
  - Biodegradable surfactants help prevent blockages in drains, pipes and traps.
- **Always Fresh**
  - Advanced Hygiene System cleaner and deodorizer refills neutralize malodors and leave a clean, fresh fragrance.
- **Always Odor Free**
  - Continuous cleaning eliminates odors at the source.
  - Powerful formula help reduce bacteria and fungi - the breeding grounds of odor problems.

*24 hours a day... everyday!*

*Automatic Cleaning & Odor Control System*

*Looks Clean – Smells Clean – Is Clean.™*
